Note: Fees are subject to change for assignments which contain complex issues, some of which are not known until actual on-site inspection. All fees are fully disclosed upon invoice attached to each report. Payment for fees which are earned are due in 14 days. All private appraisal transactions (such as estate valuations, divorce, tax appeal, pre-listing appraisals, etc.) are due and payable no later than actual date of site inspection, before the writing of any report. Thank you!
